

Cannabis & Lung Cancer: Podcast

A special episode discusses the myths and facts about cannabis and the treatment of lung cancer.

November 22, 2019 By Taylor Abarca

From Lung Cancer Canada:

In a special episode to commemorate the anniversary of the legalization of recreational cannabis, Dr. Paul Wheatley-Price talks to Dr. Ross Camidge, Director of Thoracic Oncology at the University of Colorado, about the myths and facts surrounding cannabis and the treatment of lung cancer.
