## Fight Colorectal Cancer

([fightcolorectalcancer.org](http://fightcolorectalcancer.org))

March is Colorectal Cancer Awareness Month. This patient advocacy organization pushes for better policies and supports research, education and awareness. See "[Becoming an Advocate.](#)"

## Count Me In

([joincountmein.org](http://joincountmein.org))

Patient-partnered research is changing the future of cancer, facilitating collaboration between people with cancer and researchers. See "[Taking the Lead.](#)"

## I Had Cancer

([ihadcancer.com](http://ihadcancer.com))

This award-winning website, created by a breast cancer survivor, promotes peer-to-peer storytelling.
