I am so honored to be a part of this amazing FREE teleseminar beginning this week — my talk airs on January 23 but you MUST [sign up NOW](#) to get access to the amazing information and the FREE resources centered on “Shattered Woman Rising.”

To me, this topic is near and dear to my heart — and to ALL of our hearts. It goes beyond being a cancer survivor, though, and looks at the unique challenges of being a female and balancing our lives through disease, destruction, addiction, abuse, and more.

My talk of course centers around the narrative of cancer — Erin is also a cancer survivor and when she reached out to me via LinkedIn to be a part of this, I knew I had to do it!

I hope you sign up for this free resource and get as much out of it as I intend to as I will be signing up myself!
